Dear Competitors,

In order to keep a written record of each demand regarding a clarification of the Clio Cup Nomenclature, Renault Sport Racing is introducing a specific form.

From now on, if you ask for a clarification, please fill in the form and send / give it to a Renault Sport Racing representative (Technical Support on track or by email to Anthony Leblanc: anthony.leblanc@fr.renaultsportracing.com . You will then receive the answer on the same document.

Should this clarification lead to a modification of the nomenclature, the organizer / promoter will be advised. In any other case, the answer will remain confidential.

The form is available on the Renault Sport Racing extranet website:

Dear Competitors,

A new version of setup for Toolset to be uploaded in your dashboard is available on the Renault Sport extranet. The update consists of the correction of a bug which has the effect of improperly displaying an "ACT Alarm" fault simultaneously with a possible real "Fuel Pressure Alarm" fault.

3 versions of setup are available:

- 2018 CLIO CUP BASE SETUP V0.26 - 604 MICHELIN_E600.TOOLSET *(For cars equipped with standard fuel tanks)*
- 2018 CLIO CUP BASE SETUP V0.26 - 604 MICHELIN_E600_FT3.TOOLSET *(For cars equipped with new FT3 fuel tanks)*
- 2018 CLIO CUP JUNIOR SETUP V0.26 - 604 MICHELIN_E590.TOOLSET *(For Clío Cup Junior UK, with standard fuel tank)*
